

Welcome to Rydon Primary School

Responsibility Resilience Respect Teamwork

On behalf of all the children, staff and Governors, I would like to warmly welcome you to Rydon Primary School.

We are a school that likes to celebrate success at every level. The life of the school is driven by enthusiasm and a desire to achieve. We promote learning that is active and purposeful and encourages children to embrace challenge and celebrate success. Our curriculum is broad and engaging giving children opportunities to participate in a wide range of cross-curricular activities.

We place a huge importance on developing the unique potential of each child. We teach children the importance of responsibility, and strive to develop confident and resilient learners who are respectful of themselves and of others.

An essential ingredient for this to happen is teamwork. We view education as a joint venture, involving everyone – children, parents, staff, Governors and the wider community. Through these partnerships we aim to provide the best possible educational experience for each child and their family.

We look forward to working with you and your child.

Nick Banwell, Headteacher
